** A message from our Principal… **

** Year 6 Graduation **
Next week we farewell our Year 6 students at Graduation on Monday evening and, as a school, at our final Gathering on Thursday morning. This cohort of students helped establish our fantastic dance program and were also one of the earliest groups to participate in the BYOD iPad program. I had a great opportunity to get to know them better on the Canberra excursion in Term 2 and wish them all the greatest success in their secondary education.

Our School Captains, Alice and Holly, have done a fabulous job of representing the school throughout the year. They have been ably assisted by vice-captains Rebecca and Alice, despite Alice’s extended absence due to commitments in ‘Matilda” during second semester. Thank you to the four of them, and all other 2016 elected student leaders for undertaking their roles so diligently.

** Staff Farewells **
I would particularly like to thank the following class teachers for their contributions to Eatons Hill; Chris Paterson who has a teaching position in Cairns lined up for next year, Emma Scott who will be moving to the cooler climate of Victoria, Patrick Hawthorne who has been a great male role model for our Year 2 and 3 students for the past 18 months, Kellie Mitcherson who is moving to the Gold Coast in 2017, Sonya Watts who has contributed to the drama program as well as her Year 2 teaching, Marina Nicklin who, to our great relief, was able to commence work in Year 1 at short notice at the beginning of the year and Lise Saffery who has worked a day a week in each of two Year 2 classes during this semester.

We will also farewell Kathryn Sinclair from the front office where she has contributed to our positive and friendly reception team. One of our long serving teacher aides, Anita Dixon will officially retire at the end of the year after more than 10 years at the school. Most significantly Robyn Blake, who has been a teacher aide here since the school’s inception, will also be enjoying a well-earned retirement after the end of next week. Apart from instrumental music teacher, Tim Lefever, Robyn is the last remaining ‘original’ staff member of the school and takes with her many memories of the school’s 18 year history.

** Student Reports **
Student reports will be emailed home on Wednesday of next week. If for any reason you have not received your copy by Thursday please contact the school so we can rectify issues before the end of the school year.

** 2017 Classes **
Parents will be informed of their child’s class 2017 teacher via email next Thursday. Class lists will no longer be printed and displayed at school.

2017 Student Leaders

Congratulations to our newly elected 2017 School Captains, Amelia Swann and Danny Blessen, and School Vice-captains, Gabriella Tomaszewski and Hayden Rainbow. Our full cohort of student leaders are currently being selected in readiness for our ‘handing-over’ ceremony at the full school assembly on Thursday morning (9 am) next week. This is where our current student leaders pass on their leadership duties to the 2017 student leaders.

Looking forward to a great year ahead

There is a great sense of optimism and enthusiasm for next year already evident in the school. In 2017 we will be introducing our Eatons Excellence and Enrichment program for Year 5 and 6 students, developing a before school reading program for younger children, further developing our entrepreneur program and expanding our use of iPads across all year levels. Our core teaching priority will be on improving the way we progressively assess how well children are learning and giving them developmental feedback that helps them to understand what to learn next.

Farewell to families who are leaving the school and best wishes for the future. To the whole community I wish you a safe and enjoyable summer break with you children.

Cheers
Hugh Goodfellow

Eatons Excellence Enrichment Program

All applications and acceptances for the Eatons Excellence Enrichment Program will be processed by end of week 10.

Acceptances will be in the form of a Contract of Commitment Form that both students and parents must sign. This form must be returned by 9 December in order for parents to be invoiced in Term 1, 2017.

The Eatons Excellence Enrichment Program will commence in Week 2, Term 1. If you have any questions please email the Coordinator, Mara Graham mgrah82@eq.edu.au

2nd – 1B with an attendance rate of 95.89%
3rd – Prep Violet with an attendance rate of 95.75%.

Ensuring Successful Transitions in the Early Years
Throughout this Term, we have been ensuring successful transitions to Prep for our future 2017 students. Our active Early Years Transition Network (EYTN) meets regularly and enables our Prep Teachers to collaborate with our feeder early childhood centres to help our future Preps make a smooth transition from Kindy to School. This year we have introduced induction sessions for parents in addition to our Orientation Morning.

Our Prep Teachers have also been transitioning our current Prep students into Year 1 for 2017. They have planned visits to the Year 1 classroom block and we will also be familiarising these students with their lining up area and procedures. Next week, we will be sending home an information brochure/pamphlet for our current Prep parents, which will provide some induction for parents around the routines and procedures in Year 1. Such activities and information will ensure a successful transition for our Prep students into Year One for 2017.

Communication Regarding Your Child’s Teacher & Class for 2017
Next Thursday 8th December you will receive a personalised email informing you of your child’s teacher and class for 2017. Please ensure that you have let the office know if your email address has changed.

Thanks For A Great Year!
This week I have been reading through all of our student’s report cards and I was extremely proud of the improvements and achievements that our students have made in 2016. Thank you to our hardworking Teachers, Teacher Aides and staff members who have encouraged our students to give their best. I would like to thank everyone for your efforts and support this year and I look forward to working with you all again in 2017. Wishing you all a safe and Merry Christmas and a Happy New Year! Take the time to do what you love, with those you love.

Remember – Giving our best is the Eatons Hill Way!
Kind regards
Sarah Ramsden

Thank You From Ronald McDonald House
Karla Gumley from Community Liaison Ronald McDonald House has contacted the school to thank our school community for their generosity in remembering their cause as part of our Student Council’s work in supporting and caring for others. An extract from her email follows: Just contacting to say thank you to Eatons Hill State School for all the generous donations that were gathered and supplied to the families of Ronald McDonald House South East Queensland (RMH SEQ). This is such a kind and generous offer you are providing for the families facing difficult times this festive season.

At our last assembly, we presented Eatons Excellence Awards to Melinda Iacovella and Rhana Kerrigan acknowledging their efforts, commitment and guidance to our Student Council and the active role they play by involving students in raising awareness and funds that target school needs and community support.

Student Eatons Excellence Awards
This week we drew the names of four students who provided quality examples of high standards in an aspect of their work in recent times. We acknowledge Lilly 2O for lovely manners in Music, Amelia 3F for good organisational skills, Olivia in 3I for great manners and Michael Richardson in 2W for being ready to learn. Our class award this time went to 3I with Steve Kozak for the second time this year. Congratulations to all students recognised this way.

Christmas Greetings
Best wishes to all our families for a lovely Christmas celebration with family and those who mean the most to you. I hope that the holiday period affords families time to enjoy some leisure time together over the long summer days. We say goodbye to some of our students who are moving on to other schools and places to continue their education and wish them well in their transition. Stay safe, enjoy the break and we look forward to welcoming everyone back in 2017. Don’t forget to enjoy some bedtime stories and reading in the holidays.

At the end of 2016 we say a very sad farewell to two of our awesome banking mums: Nat Bourke and Lady Jody Stokes. Thank you ladies for the chats, laughs and friendship as we help our children and the EHSS children learn about the importance of saving their money. Best wishes always xo

We’d like to thank all the students that have taken the time to write us beautiful notes throughout the year – we love hearing from you and to the parents for your patience and understanding while we resolve any issues that we sometimes have. Thank you to all the teachers for helping your students bank their money each week and to the lovely office staff for answering all the questions we have and Julie for helping me sort out our newsletters. Best wishes for your high school years and wherever life takes you.

We are looking forward to another fantastic year of savings next year with an exciting new theme and great new rewards. We will distribute Parent Packs during the first few weeks of Term 1 with information about banking for 2017.
