**A message from our Principal…**

**Welcome to the 2017 School Year**

A warm welcome to the 2017 school year to everyone in our school community. It is always a fantastic feeling to walk around the school and meet so many excited children, looking forward to the prospect of a new year. Thank you for ensuring that your child was well prepared for the year and please continue this support by keeping in contact with your child’s teacher, attending the information evenings and student progress interviews. Upcoming events, that your child may be involved in, will be shared through this newsletter and individual class correspondence. Please make special note of payment deadlines as late payments can not be accepted and we would not want your child to miss out. We have also created an annual school calendar that will be distributed to all families early next week.

---

**Last weekend I was fortunate to watch the recently released movie, “Lion”, that depicts the real life experience of a five year old Indian boy, “Saroo”, who became separated from his family. Among the many emotions that the movie brought forth was the realisation that Saroo was of a similar age to our newly enrolled Prep students when he was forced to completely fend for himself in the streets of Calcutta. We would not wish such circumstances on any child as it is far from an ideal way of learning about the world! There is a message however about how resilient young people can be when faced with challenges. There is an important role for parents and teachers to share to provide opportunities where children face uncertainty, not just security, risk of failure rather than guaranteed success, and progressively grow their own independence and self-reliance. The act of learning requires risk taking. The dangers can be physical, such as when learning to ride a bike, or emotional, such as the confusion and feelings of self-doubt we experience before mastering new concepts. Our job is not to avoid this but to support students as they experience it.**

---

**Welcome to New Staff**

To commence the year we also welcome a number of new staff members to the school. These include: Mrs Sara Prendergast (Year 6), Mrs Nadene Rutherford (Year 3), Mr Brendan Stock (Year 2), Mrs Anna Cruse (Year 1), Mrs Helen Boston (Year 1), and Mrs Michelle McDougall (support teacher in Years 2 and 3).

---

**Uniform expectations**

Eatons Hill takes great pride in our uniform and it is an expectation that it is worn correctly each day. Please ensure that your child has black shoes, a wide brimmed, sunsafe hat and clean and tidy attire. It is expected that the formal uniform is worn each Monday and also for special occasions such as ANZAC Day. For further details refer to the email sent to parents last Friday 20 January, or see the news item on the website.
School Drop off and Collection
There are approximately 150 off street car parking spaces which means that Eatons Hill State School is better placed than the majority of schools, even on a per capita bases. However, with over 700 families in the school, the majority of whom drive children to school, we will never be able to provide a car park simultaneously for everybody.
To ease congestion we suggest:

- Encouraging children to ride or walk to school
- Parking further away from the school and walking with your child (see map below produced by the Moreton Bay Regional Council)
- Delaying pick up to 3:10 when car parks are generally available (Preps must be collected at 3:00)
- Using the “Drop off and Pick up” zone on Marylin Terrace (See morning and afternoon procedures below)

8:00 to 9:00 am
Morning Drop-Off- “Kiss and Go”
- 2 minute parking
- Stay with your car
- Children use crossing to walk into school

2:30 to 3:30 pm
Afternoon Pickup-“Taxi Rank”
- Stay in your car
- Keep moving forward
- Collect children at the front of the queue
- Drive around the block and re-join queue if your children are not present.

Very Warm Welcome
Welcome to our new and existing students, families and staff members. I hope you all enjoyed a relaxing and refreshing break over the Christmas & New Year period. I am looking forward to working closely with Prep and Year One families again this year.

Spotlight On Prep & Year 1 Classrooms
This week I have spent time walking through the classrooms and it is wonderful to see students settled into their classroom routines, making friends and learning. Thank you to all of our teachers and staff members who worked hard to set up classrooms and prepare for the first day of school. Such organisation and dedication has ensured a successful transition for our students into Prep and Year 1. During the year I will continue to regularly visit classrooms to get to know students better and monitor how they are progressing with their learning.

Communication
The link between home and school is so important for encouraging students to participate and learn to their full potential. At our school we communicate with families via email, through our school Facebook page, on our school sign, Q Schools App, school website. Classroom teachers will provide email addresses for ease of contact and will also provide you with details of their preferred way of communicating within their classroom (e.g. Class Dojo / email / communication books etc.) Please let your child’s teacher know about anything that you think may have an impact on their time at school. As you are aware, the beginning of the day is a busy time for teachers and students therefore, it would be appreciated if you arrange a convenient time to meet with them. I am also happy to speak with parents and carers about any concerns but we do ask that you speak to the teacher as the first step.

Year One Transition and Welcome Brochure
A transition brochure to welcome families to Year One was emailed out to parents and carers last weekend. If you didn’t receive a copy, please let your child’s teacher know. For families who don’t access email, please ask your child’s teacher for a print out copy.

Preparing For Learning the Eatons Hill Way – Students in Year 1
Every day and minute counts for learning and at Eatons Hill State School our teachers maximise learning time. Our daily lining up routines before school and after each lunch break ensure that students quickly settle to prepare for learning. We ask that parents support our teachers by adhering to the following procedures before school:

- Each year level has a gathering area where they go to when they arrive at school – Year One students line up in the area underneath the Administration Building.
- If students are arriving at school before the first bell, they are expected to wait in their class lines. When the 8:20am bell rings, students leave their bags, wear their hats and walk to the Oval and line up waiting for the supervising staff member/s. Students arriving after 8:20am, drop their bag off to their gathering area and walk to the oval.
- Parents please note that this is the expectation for all students, even if you are waiting with your child. Parents are most welcome to also come down to the Oval with your child.
- The staff member/s on duty will send students back to their gathering areas at 8:45am. Students are to sit in 2 lines with their class and wait for their classroom teacher to collect them. Classes will walk with their teachers back to their classrooms to begin learning time at 8:55am.

Even if you are waiting with your child it is important to remind them that they must follow our morning routines. The use of playground equipment is not permitted before and after school.

Our Year One students are very excited to be participating in the Year One Lining Up Challenge. They are earning points for trying their best when lining up. Year One students can’t wait for Gathering to see which class wins this fortnight!

Preparing For Learning the Eatons Hill Way – Students in Prep
Parents and Caregivers of our Prep students prepare their children for learning by waiting with their child in the designated Prep waiting areas beneath the double storey Prep building. You can help prepare your child for learning by encouraging them to go to the toilet, have a drink and using the waiting opportunity to read with your child. Prep teachers will open their classroom doors at 8:50am. A reminder that the use of playground equipment is not permitted before and after school.

New Day for Prep & Year One Gatherings
This year, our Prep & Year One Gatherings will be held on alternate Tuesdays. Our first Prep & Year One Gathering will be on Tuesday 7th February, at 2:10pm in our Hall. Parents and families are most welcome to attend seating is provided at the back of the Hall for you to use. We look forward to sharing our learning successes with you at these Gatherings throughout the year.

Class Parent Information Evenings
Next week, our Prep & Year One teachers will be hosting class parent information evenings. The purpose of these evenings is to provide parents and carers with the routines and expectations of the classroom and to give parents and carers an opportunity to meet teachers and clarify any questions they may have. Prep sessions will occur in your child’s classroom from 5pm on Tuesday 31st January. Year One sessions will occur in your child’s classroom from 5pm on Wednesday 1st February.

2018 Prep Enrolments
We will be accepting enrolment applications for Prep for 2018 from Monday 30th January at 8am. The following documents are required to be handed in (in person) at the school office:

In Catchment
Application for Student Enrolment form
Birth Certificate (original or JP Certified copy)
Two “Proof of Residency” documents: 1 Primary Source (rates notice, lease agreement, unconditional sale agreement) + 1 Secondary Source (utility bill showing address and parent/guardian’s name)

Out of Catchment
Application for Student Enrolment form
Birth Certificate (original or JP Certified copy)

In or Out of Catchment – Sibling currently attending EHSS
Application for Student Enrolment form
Birth Certificate (original or JP Certified copy)

BYOD iPad Classes
Thank you to parents and carers who had their child’s iPads ready for the first day of school. It is essential that your child’s iPad is up to date, charged and ready for them to use each day at school. Below are some reminders for parents and carers to ensure that your child’s learning tool is ready to help your child learn:

- Monitor the use of the iPad outside school.
- Ensure all equipment (with minimum specifications) is purchased/provided.
- Ensure all Apps are downloaded as per the year level list.
- Ensure all iOS, App and virus updates are updated and downloaded in a timely manner.
- Ensure the iPad is charged every night.
- Ensure regular syncing and back-up occurs.
- Be responsive to repairs and maintenance issues.

Giving our best is the Eatons Hill Way!
Thank you for your continued support,
Mrs Sarah Ramsden
**Welcome to the 2017 School Year**

I extend a warm welcome to all our returning students and families and to the new children and families who have joined us in Year 2 or Year 3 this year. The teaching teams have been very busy preparing rooms and curriculum for an interesting and engaging year of learning in 2017. Children have settled quickly into new classrooms and I’m sure the air conditioning in the early days has been an added bonus to making the rooms cool and comfortable.

**Class Teacher and Parent Information Sessions**

Every year level at school matters. An important event in building a relationship with your child’s teacher is by attending the Parent Information Sessions to be conducted in the near future in your child’s classroom. Year 2 sessions will commence at 5:30 p.m. on Wednesday 1 February; Year 3 sessions will commence at 5 p.m. on Wednesday 8 February. All parents are encouraged to engage with these opportunities to learn more about the important learning and organisational aspects or your child’s new year level and within your child’s individual classroom. There will be opportunities for you to meet the teacher and to have questions answered during the session.

**Year 2 and Year 3 Gatherings**

All our parents are invited to attend our regular Year 2/3 Gatherings generally held on alternate Tuesday afternoons as per the school calendar. Our first gathering will be held next Tuesday 31 January commencing at 2:10 p.m.

**Morning Routines**

The 8:20 bell signals that all students should move to the oval area for active play or to participate in quieter activities in shaded areas around the oval. The area is supervised and modifications are made when weather conditions are very hot, humid or rainy or dependant upon the condition of the oval. Students with ipads should take their bags to the library before proceeding to the oval.

**Playground Line Marking**

From Monday to Wednesday of next week, we anticipate the commencement of work related to transforming a number of our areas into more active, engaging learning and play spaces through colourful, painted games and line marking. This is an exciting student council and school funded project which the children will be able to enjoy watching come to life over the days of work. It is likely that some adjustments may need to be made to routines and places for lining up, play and parent waiting areas around the Junior school during this time and this will be communicated on various days as work progresses. Additional staffing is also likely to be deployed to assist during busy times. The short disruption will be worth the longer term transformation, enjoyment and productivity of these areas.

**Uniform**

At our first assembly, it was clear to see the commitment of our families to ensuring children are dressed in the correct uniform right down to shoes, socks and hair ribbons. Congratulations and thank you to our parents for this effort.

**Welcome back to Eatons Hill for an exciting 2017 school year!**

I trust all our students (and families) had a tremendous Christmas holiday and are now ready to immersed into school. I have been thrilled to see our students in Years 4 – 6 already eagerly completing lessons and participating in class discussions in all the classes I have visited this week. A special well done to our teaching staff as well who spent a good deal of time during the holidays to have exciting and engaging units of work developed so that our students have the greatest opportunity to thrive in their learning journey.

As we start the school year I would like to remind students and parents that it is very important that all students are wearing the correct school uniform. I sent home an email at the end of last year, and another the week before school commenced with information on the correct uniform and photos of what is expected, and what is not. Please note that shoes for all students MUST BE ALL BLACK, no other colour is allowed. Please ensure that our girls are wearing either shorts or skorts, netball skirts must not be worn. Finally the only polo shirt permitted to be worn is the one with the white stripe that runs down the side, the old jade polo shirts are no longer part of our uniform. Well done however to our students who are looking wonderful in their correct uniforms – they are a credit to our school.

A reminder to parents as well as we start the year that there is no supervision at school before 8.20am. If you have to drop off your child early due to work commitments etc. please be aware that our P&C run a wonderful outside school hours care (OSHC) that you would be able to utilise. At 8.20am a bell sounds and all students are to make their way to the oval. Students who arrive after this time are to leave their bag where they would normally line up to go into class and make their way down to the oval as well. At 8.50am another bell sounds indicating time to walk up from the oval and line up ready to commence learning.

Well done to our students for completing the first week of the school year. The term will soon be in full swing so I urge every student to maximise potential by ensuring every day counts. I also urge all students to read as much as they can when at home. It is amazing the difference it can make by reading each day. It is also a wonderful bonding time to spend time reading with your child in a relaxed manner.
All the best for a great year ahead.
Ed

**TUCK SHOP NEWS**

Tuckshop will reopen on Monday the 30th of January – ordering is via flexischools.

**ICAS...**

**International Competitions and Assessment for Schools**

Eatons Hill State School has again been invited to participate in the International Competitions and Assessment for Schools (ICAS). These competitions are offered to students in Years 2 to 6.

The ICAS Competitions and assessments provide and opportunity for all students to gain a measure of their own achievement in an external situation. They can also be used to monitor individual progress in a range of subject-related skills and to recognise and reward achievement at all levels.

Students who participate will each receive a certificate and a detailed results letter indicating which questions they answered correctly, identifying the skill tested in each question and indicating the percentage of students across the state that answered each question correctly. The Results Letter is also useful for highlighting student strengths and weaknesses. The documents are suitable for inclusion in a portfolio.

Further information regarding dates and times will be sent home in the near future.

From the Sports Desk...

**RUNNING CLUB**

In preparation for our Cross Country on Tuesday 21st March, running club will be held on the mornings of Monday, Wednesday and Friday before school at 8.15am. All students from Year 3- Year 6 are encouraged to attend and are asked to meet the teacher at the edge of the oval outside Mr Bull’s PE Room. Running Club will commence in Week 2 of Term 1. Students may wear active clothing and running shoes as long as they change into their school uniform before school commences.

**Swimming**

**NORTH BY NORTH WEST SWIMMING TRIALS**

This year the district carnival is to be held at Lawnton Aquatic Centre. Queensland Swimming Officials, Dolphin swimming equipment, 50m pool, amazing facilities and dedicated staff will lead to an extremely professional event for the children in North and North West district schools. This new event promotes excellence in swimming and consistency across the Region. Nominated students that qualified at our Swimming Carnival at the end of 2016 will bring home a student information pack and permission forms. Students are to be transported to and from the Lawnton Pool by own transport. If parents have any issues transporting students to the event, please contact the Sports Coordinator Mara Graham (mgrah82@eq.edu.au).

**DATE OF TRIAL Thursday, 9 February 2017**

**VENUE:** Lawnton Aquatic Centre Lawnton Pocket Road, Lawnton, 4501

**STARTING TIME** 8.30am start (Warm up available from 8.00am and gates open at 7.30am)

**COST:** Special Swim Cap- North by North West swim cap avail for purchase on school shop online $15

**ELIGIBILITY** Children who are turning 10, 11 and 12 in 2017 (born 2005 - 2007).
Below are the District Sporting Dates for Term 1. This is version 6 and updated versions will be loaded to the school intranet. These will displayed in the PE Room windows and display board in the senior eating area. Due to the popularity of some sports, school-based trials will be held. If students are interested in attending district trials they must receive permission from our PE Teacher, Mr Dan Bull, and obtain a trial notice form. Payment must be processed online and forms must be handed in at the trial (not returned to Mr Bull). There is a strict district rule that if NO FORM is provided at the trial, the student will not be given permission to Trial. **NO FORM, NO TRIAL.**

If your child is loaning a school instrument, these will be allocated during their first lesson. The students will also receive a music folder in which they will keep their music book. Students are asked to bring their instrument to the music store room each morning for storage throughout the day. We do ask that the students keep their folder in their school bag until their lesson time.

**All continuing and commencing students must have returned their Student Resource Scheme Form in order to be invoiced for the $55.00 tuition fee to start lessons. This form can be found on the school website or collected at the office. Forms must also be returned to the office.**

Instrumental Music lessons take precedent over most other school-based activities including Gathering attendance and extra-curricular participation. The structure of the rotating timetable ensures that students will not miss any regular school-based lesson or activity on a regular basis.

**CHOIR**

Choir rehearsals commence in week 2. We encourage and welcome all new and interested students! Children will receive an enrolment letter at their first rehearsal which must be signed and returned to the office or music room by the end of week 3 (Friday 10th February). This will confirm your child’s enrolment within the group. Rehearsal times, venue and teaching staff are as follows:

**2017 EEEP/ Student Interest Program**

In 2017, Eatons Hill State School will commence our Eatons Excellence and Enrichment Program (EEEP) on Monday 30th January from 2-3pm. This program will run in conjunction with student interest-based lessons to cater for all students within a differentiated curriculum structure.

Students that have been selected in EEEP will need to return their signed Contract of Commitment Form before they commence a program. This is also required for invoicing purposes. These forms can be collected from the office and are also on the school website.
PLEASE NOTE THAT THERE WILL BE NO AFTER SCHOOL COMPONENT THE FIRST WEEK. SESSIONS WILL FINISH AT 3PM. Your child will bring home a detailed information letter after the first session including dress/ equipment requirements.

PLEASE NOTE THAT SHIN GUARDS ARE COMPULSORY FOR THE FOOTBALL PROGRAM (SOCCER).

Students that have chosen not to apply for EEEP will now have the opportunity to select their preference in regard to the provision of Student Interest Classes. These classes will run fortnightly from 2-3pm on a Monday afternoon, commencing week 2. **All Year 5/6 students that ARE NOT participating in EEEP will be required to select a preference.** These lessons are not part of EEEP and DO NOT incur a cost.

Students were handed a preference form on Wednesday 25th and asked to return to the office no later than **Monday 30th January**, as this is when classes will commence.
Welcome to School Banking 2017

We hope you’ve had a super summer holiday and you’re ready for another exciting year saving your pocket money, earning fun new rewards and achieving certificates for all your hard work and of course there’s another amazing holiday to be won.

Thanks to the fantastic efforts of our school banking students, last year $3 390.97 was raised, simply by depositing money into their own bank accounts. In Brisbane North, EHSS was #2 in commission received for 2016 (Albany Hills was only $200 ahead of us for the #1 position) – an amazing achievement by our super savers. Keep up the great work this year.

School Banking is Tuesday
(NO BANKING: Week1 Term 1; Weeks 2 & 4 Term 2 and Week 10 Term 4)

Coming Soon - a new School Banking Information page on the Eatons Hill State School website under Quicklinks. You will find information such as:

- How to get your child stared with School Banking. Open a Youthsaver Account.
- How to make a deposit at school
- Double Deposit Days explained (you will need to know this if you’d like all 4 rewards and achievement certificates for the year.
- The fun new rewards for 2017 – how to order.
- Details about the 2017 Commbank School Banking Competition

Every year the School Banking program launches a new savings theme and eight new exclusive School Banking reward items. In 2017, School Banking is getting children excited about the future with a brand new look for the Dollarmites. As Future Savers, students will join the Dollarmites on a journey to reach the Savings Hover Park, an amazing playground up in the clouds of a hi-tech city.

There are 8 new reward items for 2017 from the Future Savers range:

**Released Term 1**

2017 School Banking Competition

Win a Family Adventure Holiday at Tokyo Disneyland

This year, the Future Savers Grand Prize competition will take one lucky School Banker all the way to Tokyo, Japan.

The winner gets an unforgettable family trip, for up to two adults and three children, where you'll explore Tokyo Disneyland with its amazing attractions, including the futuristic Tomorrowland, plus enjoy the fun rides at Tokyo DisneySea. This prize includes:

- Five nights’ accommodation at the Sheraton Grande Tokyo Bay Hotel
- Return economy airfares from the winner’s nearest capital city to Tokyo, Japan
- Three-day Magic Pass to Tokyo Disneyland & Tokyo DisneySea
  - AU $1,000 spending money

At the end of the year we give out special certificates:
- Class with the most deposits for the year (2016: Yellow Prep)
- Classes from each year level with the most deposits
  2016: Yellow Prep, 1O, 2O, 3S, 4FH, 5G, 6B
- Students with the most deposits from each class

Remember that saving regularly is an important habit to get into, whether you’re saving a little or a lot.
(You can deposit 5c if you want and if you make this deposit each week you will still get all the rewards, certificates and entries into competitions)

As always, if you have any questions please pop into the library Tuesday mornings (where we collect class banking bags), drop into the school hall (where we process school banking) or send an email and I’ll reply as soon as I can.

Thank you for supporting the School Banking program here at Eatons Hill State School.
