Student Librarian Program

A training program for student in years 4 – 7 with an interest in books, reading and making new friends.

Students interested in this program attend weekly meetings (every Tuesday at first break) and then volunteer to work one or more lunchtimes learning about the daily running of our library.

A training program is provided to ensure that the students are trained in a wide range of duties. These tasks include:

- Checking out resources to teachers and students
- Returning resources from loan
- Shelving returned resources
- Co-ordinating games days
- Preparing book reviews

Student librarians also provide articles for the library newsletter ‘To Read or Not to Read’, conduct competitions and assist with library run events such as Book Fairs or 100th Day of School celebrations.

The program caters to all levels of students and is adapted to suit their abilities and their personalities. The emphasis is always on having fun and working with other students in a safe and monitored environment.
