Dear Parents and Caregivers,

**RE: UNIFORM POLICY 2015**

In 2015, we will introduce our Formal Uniform Day policy which has been endorsed by our Parents and Citizens Association. Eatons Hill SS students will be required to wear their formal uniform each Monday and on schools days when special events are held, for example ANZAC Day, Remembrance Day.

School uniforms are an important aspect of school identity and, when worn with pride, instil a sense of belonging. Our school uniform reflects the standards and expectations of our school community. We continue to be impressed with the strong sense of respect and responsibility that our students demonstrate, and the way they wear their uniform exemplifies this.

On Formal Uniform Days, our students will be expected to dress in their formal school uniform. This uniform consists of:

- **Girls:** Formal Dress (or optional Formal Shirt and Skorts)
- **Boys:** Formal Shirt and Ruggers Shorts
- **Black shoes with black laces and white socks**

On school days when the formal uniform is not expected, students are to wear either their formal uniform or their school polo shirt and shorts or skorts.

Please note students are to continue to wear black shoes (with black laces) and white socks every school day. For students who will be participating in Physical Education of Formal Uniform Days, they will be able to change into their sports uniform if they wish to do so.

We understand that there will be a period of transition as we develop this practice and appreciate the support of all parents as we continue to develop a strong sense of pride in our school. If you have any questions regarding the Formal Uniform Day, please contact me, the.principal@eatonshillss.eq.edu.au.

Regards,

Phil Savill  
Principal
