

# Year 6 Graduation

Class of 2024

29<sup>th</sup> August, 2024

Dear Parents,

As part of the final journey for year 6 students they will be given the opportunity to have teachers and students sign graduation memorabilia as a permanent reminder of their friends and this period of their life at Eatons Hill State School before venturing off into high school. This year we are providing the opportunity for students to purchase memorabilia for this activity, which also works as a fundraiser to cover the cost of the graduation event.

Purchasing will be through the Flexischool system, which will be available until **Friday 4<sup>th</sup> October 2024 - NO LATE PAYMENTS WILL BE ACCEPTED.** If you wish to place an order we ask that you do so online through Flexischool and then return the slip below to your class teacher indicating your purchase and order number. This will assist in us cross-checking the orders and ensure all memorabilia is delivered to the school in time for this special event. Items will be available to purchase early next week as we advised Flexischools to generate the codes today.

Year 6 teachers will hand out the memorabilia as per previous years, and will provide students with time to get signatures.
