Dear parents,

It is important that all students in years 3-6 attend the carnival and participate in the school event. Non-swimmers will be catered for with land-based activities throughout the day. All years 3-6 students are expected to nominate in at **least two events**. Butterfly is only for those who can swim 50m. Please discuss these choices with your child. Children who require assistance should nominate themselves in the 25m races and will be offered kickboards and additional support where required.

Freestyle, breaststroke and backstroke are divided into two ability groups. Butterfly is a Championship only event. The two groups are:

1. **Championship races:** for swimmers who can swim 50m competitively and who want to gain points for age championships. All championship events are timed and then ranked according to times.
2. **25m (Have-a-go) events:** for swimmers who are still developing their skills. Students are able to use the assistance of a swimming aid if they wish.

Participation in both groups score points towards their respective House totals however, **only results from championship races are used to calculate individual points for Age Championship medals**. All age champions and house winners will be announced at a school gathering.

Please complete the attached permission form and return to the class teacher by **Tuesday 31st August 2021**. ALL students are required to return the permission form whether they are attending the carnival or not.
