

# Investing for Success

## Under this agreement for 2021 Eatons Hill State School will receive

**\$302,962\***

### This funding will be used to

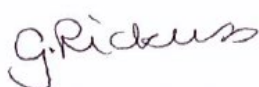

- This funding will support Eatons Hill State School to provide pedagogical and curriculum leadership for the Learning Area of English.
- This funding will also support the school's ability to facilitate regular collaborative conversations, between teachers and curriculum leaders, focused on pedagogical and curriculum delivery improvements.
- Increased instructional support for identified students will be provided through teacher aide intervention.
- These initiatives align to the school strategic plan concepts of 'Intentional Collaboration' and improvement of student achievement to 'Like School' levels. They form part of the school's commitment to school improvement through the domains of, Systematic Curriculum Delivery, Expert Teaching Teams, Effective Pedagogical Practices and Differentiated Teaching and Learning.

### Our initiatives include

- Continue the employment of one full-time Head of Department - Curriculum with a focus on the improvement of student outcomes in English.
- Continue the employment of three part-time teacher aides, line managed by Support Teachers for Literacy and Numeracy, to provide additional individual and small group support for identified students.
- Provide additional teacher release time to facilitate collegial "Triad" conversations between teachers and deputy principals on a fortnightly basis.
- Provide teacher release to facilitate half-day year level planning every term.
