

Investing for Success

**Under this agreement for 2019
Eatons Hill State School will receive**

\$296 584*

This funding will be used to

- Provide curriculum leadership to support the improvement of classroom teaching in English and Mathematics across all year levels of the school
- Provide additional teacher-aide assistance to implements targeted reading programs
- Provide community liaison time for school staff to build partnerships with local Early Childhood providers to strengthen transition procedures and improve the early collection of student learning data.
- Provide additional resources in English

Our initiatives include

- Employing two teachers on contract for the year and using the release time, and additional school funding, to establish Head of Curriculum Positions in English and Mathematics/STEM
- Employing additional teacher aides to support reading programs
- Releasing a school prep staff for one day per week to visit local early childhood centres and coordinate a local Early Childhood network. Releasing Prep and Year 1 teachers to perform “Early Start” assessments with individual students.
- Purchasing additional resources to support our English program

Our school will improve student outcomes by

- Head of Curriculum Positions in English will improve English Unit implementation and assessment and develop consistency in the implementation of the school spelling program (\$76000)
- Head of MathematicsSTEM will improve Mathematics/STEM Unit implementation and assessment (\$76000)
- Additional teacher aides will provide individual and small group instruction to targeted groups to support the school reading programs (\$110734)
- Releasing a school prep staff member for one day per week to visit local early childhood centres and coordinate a local Early Childhood network and teacher release to undertake “Early Start” Assessments (\$23850)
- English resources to support the school reading program (\$10000)
